# GMark

**Introduction**

Ministry of Industry and Advanced technology is happy to announce the launch of new Issuance of GMark Certificate system. You can still access the old system at https://eservices.esma.gov.ae to continue following up old applications. For new applications, please access the new system at https://eservices.moiat.gov.ae.

**Steps to register in the new system:**

1. Access https://eservices.moiat.gov.ae
2. When asked to login, if you don't have a user, please create a new one by clicking on Register Now and register a new user. After user is activated, you can proceed to submit the application:

## Login

Sign in with UAE PASS

A single trusted digital identity for all citizens, residents and visitors.

**Or**

User Name Or E-Mail*

type@your.emaill

Password*

*******

☐ Remember Login                                                Forgot Password?

**Sign in >**

👤 Employee Login                          👤+ Register Now

# GMark

3. Once your account is activated, access https://eservices.moiat.gov.ae again to start the service and login with your credentials. Scroll down to the conformity services section, and start the Issuance of GMark Certificate service:

4. On the create profile page, click on create new company profile and register your company details, then submit the application to create your organization profile.

# GMark

5. You should select product type and regulation handler then press Next:

# GMark

6. Then you should select or create manufacturer(s) and factories then press Next:

8. Read and agree to terms and conditions then click Next:

**Terms & Conditions**

be read, understood, and accepted by the applicant as an initial step for product certification.
- The applicant hereby confirms that the information provided in this application form is true and correct.
- The applicant acknowledges that it has received and agrees to abide by the following contractual documents:
  - Compliance of the Product at all times to the UAE National Standards and/or to the UAE adopted International Standard
  - Compliance Requirements stated in the relevant Technical Guidelines/Regulations/laws and Management System Requirements.
  - The Applicant hereby undertakes to support the certification procedure, provide any information related to this Application as requested by the MOIAT, and allow MOIAT authorized personnel to carry out the audit of the factory.
- If the product is no longer in the market, please inform MOIAT immediately in order to withdraw registration.
- This application is not considered as a proof/evidence that the product is complying with the applicable regulation/laws and it gives authority to MOIAT to verify compliance to the National or internationally approved standards and the requirements of the applicable regulations/laws.
- After reviewing and approving the contents of this signed application and the attachments, a Certificate of Conformity is issued.
- Renewal of the Certificate of Conformity should be done at least one month before the end of validity of the Certificate of Conformity.
